IRS announces contribution limits for 2023

Regardless of where you are in your life or career, it’s a smart idea to make the most of KBOR’s Retirement Plan. The plan gives you one of your best opportunities to help build assets for the kind of retirement you want and deserve.

In 2023, you can contribute up to \$22,500 to your KBOR Voluntary Retirement Plan. This is in addition to your Mandatory Retirement Plan and/or KPERS 457(b) Deferred Compensation Plan* contributions. Don’t miss out on this additional opportunity to double your savings! If you aren’t already participating in the Voluntary Plan, consider enrolling today.
